

# Think SMART Overview

## Get with IT

Red River is a technology transformation company headquartered in Claremont, NH with employees who strive to make a difference in the communities where we live and work.

Join Red River for a virtual Think SMART program this summer. Students in grades 9-12 will gain valuable skills and mentorship from Red River employees, while learning about technology and earning high school credits. Due to the virtual nature of the program, applications will be accepted from students across the country regardless of location.

This collaborative and interactive virtual program focuses on more than just break/fix IT skills and lays the foundation for students to be successful in a professional work environment.

- + Students accepted in the program will receive tools & supplies to help them succeed in this hands-on virtual learning experience.
- + Included will be a special session for students on credit, general banking, fraud and financial life skills.
- + Students in the Claremont, NH area will have the opportunity to attend the program in-person.

**Claremont Savings Bank**
